A MUTE MESSENGER,

Among the many transient guests that oxided one of the popular hotels of the escent City during the past full, were of addies who attracted universal attention. One was elderly, and evidently an in or near relative of the other, a fair, all girl with early brown hair, and dark, dreaments.

." danger, Aunty. I will be very care aid Susia, this time exambling it u

ly?

Holding the dainty fabric lightly in his hand, the gentleman passed through the parlor, out on the verandah, and approach portly Aunt Hannah, who was the only lady there.

nt Hannah drow her hands and hor

owly returning the way he came, still ing the handkerchief in his hand, and Hannah's voice ringing in his care

their hands in belreditad.

As he reflected, the work of the little with the necessary or that had flattered down into his face that evening and begen turning it over and over, helding it up to the light, and finally his cyst restod on a name. He looked closer, and read in they letters, "Sussio Bradford," the name of his lost force. That she had seen and recognized him and dropped the handlershie down on purpose to attract his attention was his

to rush around to the hotel and seek her out that night and have the explanation that should have been made two years

out that hight and may are expansations that should have been made two years ago.

Acting on his impulse, he rushed round to the hotel and examined the register to make sure. There it was, the sweetest name in all the world to him. On making inquiries, to this proat chagrin, he learned that she had retired for thought. The next nourning he called again, and after sending up his name and a pheading little note, he began temping up and down the floor to conceal, if possible, his applications of the control of the property of the property

A group of men were assembled at a certain store in Newburyport when a coffin-malor entered. Uncle Ben eaked him how his business was, to which he replied that it was very dull. "Well," said Uncle Den, in an encouraging manner, "I shall die soon, and give you the job." The

The Stanhope Railroad Charter Inves-

igntion.

As will be present real by tanny of our readers, considerable extiturent was caused shortly after the adjournment of the Logidatine by the amouncement that a full bad been passed by both reaching, and approved by the Coverner, giving the exponents of the Pompleant ladious which the dependent of the Pompleant ladious reliable to the control of the Coverner, giving a function of the Coverner, giving the coverner of the Coverner of the Coverner of the Coverner was perfectly the Coverner of the Cover pt., d. o, but the recursor had passed beyond his control, he having approved it. Vesterbay, however, at Teenton, a conference was held at the Eccentry Combiner, at which Governor Parker, Proddent of the Scatte, Bettle, and speaker of the Assembly, Niley, were present, the hast two declaring that no such bill we regularly read and passed by the bodies over which they presided. This morning the conference was held in Jersey, etc., at Taylor-knot, Introduce quently adjourned to the Morchant's 160-4, New York. The National Ridges folks amountee the intention of immediately proceeding to build the through the statement necessarily excites the Penneylvania fine under the provisions of the cheriter, which statement necessarily excites the Penneylvania fine office and the original manner by the others of both houses through whose hands it passed.

The Governor and some of the Legislative of-force assembled in Jersey City on Thursday as was supposed to consider the above railroad bill, but here in the day it was understood in the city at the red matches on the consideration with the real out the military to suppress the contouring the contouring the consideration with red and the military to suppress the contouring the contouring the first three latences understood in the city that the real latences under consideration with each of the original with seal out the military to suppress the contouring them as

that the real luxiness under consideration was to call out the military to suppress the contonling for so the Central R. R. and Mr. Scott's Penn-sylvania R. R. a fight on the Perth Amboy and Elizabeth R. R. The result of their deliberation were not learned late in the afterneon as the parties had adjourned to New York City.

Stanhope and New York Railroad.

Stanhope and New York Railroad.

By an ingonious piece of strategy a ruilroad bill was passed through the last Legislature and had become a law, by which a new ruilroad is to be constructed from Stanhope to Kew York, in opposition to some of the most prominent railroad interests in the Blate. The bill permits the company to build the road from Stanhope to New York and extend the same to any part of the State. The charter is perpetual and a non-repealer is caused in the build. The Millville Republicant he bill. The Millville Republicant he bill. The Millville Republicant to the bill. The Millville Republicant of the genilemen to build the road, and that it will not be traded or the charter disposed of under any causidential whether. Eventy-three farms have been purchased near Brand Book, containing over twenty thousand acres, which which are word to passed the word and the passed of the bill was accurate by the distribution to the members of the capy which did not contain the clause, while the 18 people of the property of the copy that did."

It is reported that streams efforts are being made by the Pennsylvania Reitrond

distribution to the members of the chysical did not cannian the clauze, while the Jazgeording Clerk was furnished with a copy that did that stremous efforts are being made by the Pennsylvania Relational Company to obtain a writ of injunction for the purpose of restraining the Standard Company to obtain a writ of injunction. The Newark Courier way that the bill the company to obtain a writ of the purpose of restraining the Standard which the authority to contract a though the town as the Assembly bill No. 317, and is outfilled an act to incorporate the Standard Rullead Company. It is a bill of sixteen actions, and in the main similar to other milroad acts. The first section names the corporators, the second designates the amount of capital stock, (\$300,000) the third fourth and fifth to relate to the election and powers of Directors, while the sixth invests them with authority to construct and Departs a railroad from some point on the Walkill Mountain, within three miles of Lake Hopateong, to the Morris and Essex road at Standard, or to some point on Lake Hopateong, to the Morris and Essex road at Standard Company or "do all things which may be suitable or necessary for the conveyance of passengers and freight to and from the termines of said road to and from the termines of said road to and the conveyance of passengers and freight to and from the termines of said road to and the conveyance of passengers and freight to and from the termines of said road to and the conveyance of passengers and freight to and from the termines of said road to and the conveyance of passengers and freight to and from the termines of said road to and the conveyance of passengers and freight to and from the termines of said road to and the conveyance of passengers and freight to and from the t

Fine: AT SEARTA.—On Friday morning last, at about 11 o'clock, the naver part of a shop belonging to famuel Ellet, attantail in the cast can of the willage of Sparta, was discovered to be on fire by two children, who immediately gave the alarmous the morning of the state of the
