POETIC. [For the Iron Era.]
ASPIRATION. BY PELIE DANTON.

"Even a child is known by his doings, wheth his work be pure, and whether it be right. As a little drop of rain 'Mid the billows of the main, Or a tiny, golden grain
On the sea-shore sand;
As a moment to an age,
Or loaf in forest foliage,

All the planets have a place In interminable space,
Sun and moon and earth do race
Through the air and sky;
They are guided by the Power
That beautifles the way-side flow
Who holds sternity an hourYet in His care am I.

As in the Care and .

Fain I would, while working here, Give some weary worker cheer. The drying of a single tear, (Though Boods are falling,)

A noble word from pen or tongue, a name that might endure among Those whose goodly deeds are sung, Are worth resulting.

I would not forgotten be, Like the rain-drop on the sea, And the leaflet of the tree, When days of earth are e'er. He it vanity and pride, I cannot set my dream aside While I drift upon the tide Toward a better shore.

Should I be worthy of the sky.
And rest with ransomed ones on high,
I shall attain what will not dio-A glorious name t
The earth cannot dony her mite
To him whose work was pure and right;
For this is fair in Heaven's sight,
And brightest of fame i

The women was old and ragged and gray, and bent with the call of the winter's day The street was wet with a recent snow, And the woman's feet were aged and slow She stood at the crossing and waited long, Alone, nucared for, amid the throng

HENRY WARD BECURE.

The New Syndicate.

The visit of Secretary Sherman to New York eity for the purpose of negotiating the scale of bonds for gold for resumption purposes has been successful. The Secretary did not conclude any arrangements with the mational banks, with the effects of which he first conferred, but with the members of vadicate, which marketed, both four and-a-half and four per cent. Dones, the magnification of which was brought to subdau termination, first, by the silver ngitation, and, second, by the Secretary closing his contract by giving the stipulated notification. The new syndicate is composed of Messrs. Argust Delmont & Co., and the librihschilds, Motton, Blus & Co., of New York, and Morton, Rose & Co., of London, Law Schiegens, Co. of New York and

this syndicate is to take \$50,000,000 of the flowr-and-shall per cent borned at pagyidate result interest, and one and a half per cent. premium, payable in gold coin. The bounds are to be delivered at the rate of \$5,000,000 per month, except in the present month, when \$10,000,000 are to be taken, and the whole transaction is to be concluded at the close of December next.

It is quite well known that the government (China has sent to this country more than hundred picked young men to be educated at the cost of the empire for the public rvice. The present number of the students ected for their use a large house at a con giran in a recent lecture by the Rev. Jos h H. Twitchell before the Yale Law rph II. Twitchell before the Yale Law school, is stranger than faction. Yang Wing, its projector, was a papif in a Christian mission school in China, and was rouight in 1817, by the Rev. S. R. Bruwa, a nissionary of the American Board, to the Juited States. In 1850 he entered Yale College, where he distinguished himself in English composition, and graduated in 1854. While at college he formed the purpose of clusturing home and inducting the covern lated for its execution.

The growth of anti-Ohristian socialism in Jermany is crediting much alarm among the order-loving subjects of the Emperor. At a Solidical party, the Oerman socialists dates from 1860. In 1871 they sent two members to the German Parlinent; in 1874, nine summbers; in 1877, twiley. Their vote bast credit of the government to any great extent rear reached 497,000, out of a tokalof 8,943, 1900 for the whole empire. The societies mum is 1804, one would think if they knew 1870 000,000 members, and spend about the fall in gold, one would think if they knew the control of the control of the government to any great extent the control of the government to any great extent the control of the government to any great extent the control of the government to any great extent the control of the government to any great extent the control of the government to any great extent the control of the government to any great extent the control of the government to any great extent the control of the government to any great extent the control of the government of the To hear the gove papers of the whole empire. Temperance Hackettstown.

For the past one bunded epast the lovers of the "ardent" in this community have had their daily wants supplied by one or more well regulated licensed bars, but to day for the first time in the bast century we nak in vain for the "drinks of our daddies," the simple reason for which is that at our recent election the temperance connectiments was observed by the bast refresh to license and the same above.

our holes.

About three years since the temperance movement began to assume somewhat alarming proportions in this town, which gradually increased, and culminated this spring in the election of five Temperance Councilines and a Mayor. The result was achieved by the assistance of a few local political sorrheads and the newly organized Greenbedgraty, who acting on the principle "that congood turn deserves another," endorsed the temperance licket of this spring because the temperance party endorsed the greenback

temperance index of the spring because the temperance party endorsed the greenback formination for assembly last fall.

But the Greenbackors were duped, they elected the Temperance Council, but the temperance party didn't sleet their member of the assembly.

And then our nawly elected and wontur

successor to the majorality played a very successful if not an altogether honorable part to uchieve his ends. One branch of the emperance party positively and insullingly fused to entertain his name for the pos-

that memorable night that it was a perfect legal course to pursue, they called on him the proper time and doly qualified. We are almost ashamed to chronicle t above facts, but their truth makes them excaedingly flagrant that we consider it daty. Hackettstown, April 19th, 1878.

his little sister entailed the car and thus low life was saved.

M. B. Euron:—Our attention was attracted to want the Sussay stroet bridge, as we were walking up Blackwell street he wo day as we were a breattle street the work of the street walking up Blackwell street he wo day as one was by sand half-grown men were urging to the 19th inst, and proved to be more boys and half-grown men were urging arobs the bridge on their way to the pound.

Several of them were milch cows, and as they were put behind the lock we wendered if whe was a pool to be the work of the were depending the work of Succasunna and Vicinity.

in capit of ten or were set, came together, forming a vein, of five or six feet of a deep blue ore of fine quality.

One day last week as Mr. W. H. H. Corwin, of Successman, was riding bohind a horse, whose heels are semetimes lighter than his beach, he met with a rather singular mishar. The horse through some means be-

gan to throw its heels promisecously about the front of the wagen, and finally struck Mr. Gorwin on the hand, injuring it so badly that amputation of the little finger became necessary.

The Rev. Mr. Landon, who succeeds Rev. G. H. Winner, in the Successum Mr. E. pulpit, has thus far impressed the people of his new charge were Awronsby. His predecessori for: a number of years have made a mistaké in committing themselves to a párticular class. or cilique, thereby provoking

mistake in committing themselves to a parlicular class or cilque, thereby provoking
jealoury in others which that is a measure
the effect to neutralize their labors and make
it their appointment less pleasant than it ought
to be., It is not necessary that a preacher
on this charge should be partial to any, ope
in order to please the people, or to see the
work prosper. It is therefore to be hoped
that our new preacher will profit by the efperions of others, and show special favors
to none.
